

## PP40-G1

Guitar Ra Transformer 8000Ω of 40W.

## Caption

|          |                               |           |   |
|----------|-------------------------------|-----------|---|
| UL       | peel off the ultra-linear     | $f_{min}$ | minimum frequency                               |
| $R_{aa}$ | resistance of the anode-anode | $L_{aa}$  | inductance of the anode-anode, $f=120\text{Hz}$ |
| $Z_{aa}$ | anode-anode impedance         | $I_{max}$ | maximum current                                 |
| $R_o$    | load resistance               | $k_{n:n}$ | transmission                                    |
| price    | price                         | $f_{max}$ | maximum frequency                               |
| sizes    | overall dimensions            | core      | core type                                       |
| weight   | approximate weight            | $P_{max}$ | maximum power                                   |

## Specyfikacje

| Push Pull - PP40-G1 - wersja z dwoma deklami (PL) |              |           |   |                            |  |               |       |
